

Single Club Transfers

A single club may transfer from one district to an adjacent district, and the boundaries can be changed accordingly without having to follow formal redistricting procedures, provided that such a transfer does not substantially change the existing district boundaries.

A club transfer is considered when the following information is submitted to the English Language Department:

- A copy of the minutes of the club meeting at which the majority of the members approved the transfer;

- The written approval of each of the current governors of the respective districts;

- A copy of the minutes of the cabinet meetings, indicating the approval of the respective district cabinets;

- A map showing the exact present and new location of the club and the new boundaries of each district.

A single club transfer will become effective immediately, upon approval. Send single club transfer requests to:
