

Multiple District Leadership Development Funding

Overview

The Multiple District Leadership Development Funding Program offers limited funding to support training at the multiple district level of first vice district governors and/or second vice district governors.

Global Leadership Team MD Coordinators (GLT MD Coordinator) of record are eligible to submit a funding request. Curriculum is determined by those responsible in the multiple district for training, most likely the GLT MD Coordinator. Training content must be designed to suit the specific needs of the multiple district. A variety of valuable curriculum resources can be accessed in the Leadership Resource Center via the Lions Clubs International website to support your local training efforts.

Funding Provisions

Eligible expenses for first vice district governor training will be reimbursed in the amount of up to US \$100 per confirmed participant plus US \$100 for the GLT MD Coordinator. Eligible expenses for second vice district governor training will be reimbursed in the amount of up to US \$75 per confirmed participant plus US \$75 for the GLT MD Coordinator. Eligible expenses qualifying for reimbursement include meeting room rental, materials, audiovisual equipment rental, and meals and lodging expenses for qualified participants and instructors.

The success of this training program is contingent upon the active involvement and support of all involved, especially the multiple district leadership development chairperson. By training our first and second vice district governors, we are helping to insure their success as effective leaders.
