

Regional Lions Leadership Institutes

The Regional Lions Leadership Institute (RLLI) program allows multiple districts and single districts to apply for funding to support leadership training institutes in their own multiple/single district. The curriculum of the Regional Lions Leadership Institute is based on that of the LCIsponsored Lions Leadership Institute. The Leadership Division provides specific guidelines in an effort to maximize quality. The total reimbursement from Lions Clubs International will not exceed 50% of the total actual cost of the institute. An amount up to US\$143 per confirmed participant is allowed per approved institute, up to a maximum of US\$10,000 for multiple and single districts participating in the RLLI for the first and second time. Up to US\$7,500 is available for RLLI participants who have previously received RLLI funding two or more times.

A comprehensive packet of material will be e-mailed to each multiple district and single district. This packet contains information regarding the 2014-2015 Regional Lions Leadership Institute program, including the official policies and procedures, Regional Lions Leadership Institute Funding Application Form, planning guidelines, a sample schedule and a Reimbursement Claim Summary Form.
