

Faculty Development Institutes

The Faculty Development Institute program is dedicated to the development and expansion of Lions faculty. The curriculum focuses on techniques and concepts that will enhance the quality of training and overall effectiveness of Lions leadership development programs.

Qualified candidates are those Lions who have some experience as faculty members at Lions training events, have demonstrated basic instructional skills, and have a keen interest in further developing those skills. Lions with extensive experience as Lions faculty or as professional trainers are not recommended for this institute. Participation is limited to Lions from the Constitutional/geographical area noted in the schedule below.

Lions participating in this four-day course will be required to conduct a training event within 6 (six) months of the institute, in order to be considered a graduate of the FDI program.
